

A Necessary Life Curriculum

A STEP INTO THE GRANDEUR-OF-YOU

Love Communications

LOVE COMMUNICATION IS ANYTHING YOU'D LIKE TO HEAR, THINK, OR EXPERIENCE
THAT COMMUNICATES **LOVE** TO YOU.

*Each
Morning*

Hello precious one, I'm so happy to see you this morning

wouldn't it feel so good if every morning you heard those words,
wrapped in so much love

*Understanding
Mistakes*

*Okay, I made a mistake, it wasn't intentional and I'm not going
to beat myself up about it.*

wouldn't it feel so good to hear this each time you make a mistake

*Spreading
Joy*

*Today, let's do something different and find one person to give
a big smile to for no reason except to express Joy.*

wouldn't it feel great to be walking down the street, meet the eyes of a
stranger, and have them view the biggest smile, just because?

*Every
Evening*

*Goodnight sweetheart, you've done your best today. Rest well
and be grateful for everything .*

Wouldn't it be nice to go to sleep with a Peaceful
mind and a grateful heart ?
